

CERTIFICATE

The company

Jobman Workwear AB
Box 2044
SE-194 02 Upplands Väsby, SWEDEN

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 18-27262-1

for the following articles:

Workwear made of cotton, polyamide, polyester, elastane and their blends, with and without PU-coating and water repellent finish.

Including accessories; zippers, velcro, reflective tapes, woven and printed labels, elastics, webbing, buttons, metal and plastic accessories and sewing thread.

(Based on already certified materials according to STANDARD 100 by OEKO-TEX®)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate SE 12-141 is valid until 31.03.2019
